## **WORK PRODUCT**

**CASE:** STATE VS Billy Lee Oatney C962556CR

**WITNESS:** Craig W. Haney, Ph.D., J.D.  
317 Ocean View Ave.  
Santa Cruz, CA  
w. 408-459-2153

**ATTORNEY:** John P. Manning

**DATE:** 7 February 1997

**TIME:** 09:20-12:10

Dr. Haney is currently in Santa Fe testifying. He works at Stevenson College in University of CA at Santa Cruz. The above address is his home address, and his wife informed me of his whereabouts. He is available on Wednesdays from 3-5 at the above phone number.

If the co-defendant team has not gotten him yet for future endagerousness issues and pre-trial release, I think he could help us. Perhaps you can give a call Wed. and see if you can catch him. He comes recommended very highly by Ralph Monson, and certainly his credentials are impeccable. Obviously, as busy as he is, the sooner we make it through to him, the better, especially if we want him to testify at pre-trial.

About his background: he received his degree from Stanfor University. He teaches applications of social psychological principles to legal settings, assessment of the psychological effects of living and working in institutional environments, and development of alternative legal and institutional forms.

His home phone is 408-425-1678.
