CASE: STATE VS Billy Lee Oatney C962556CR

TO ATTORNEY: John P. Manning

DATE: 11 February 1997

RE: Santa Barbara Court Records

On this date Santa Barbara Courthouse records maintained in both Lompoc and Santa Barbara were reviewed. Because it would mean back-tracking, the records in Santa Maria were not reviewed to see if anything was found on Mr. Johnston. I will write that courthouse later and request a search, assuming the DA has not provided us with discovery on Mr. Johnston's record.
