Re: *State v. Billy Lee Oatney, Jr.*, Washington County Circuit Court Case No. C973456CR;
Billy Lee Oatney v. Brian Belleque, Marion County Case No. 04C-12723

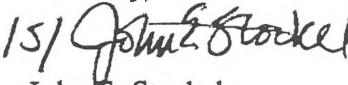

To Whom It May Concern:

I am handling a post-conviction case in the above-entitled matter. In order to complete investigation and preparation for the defense of this case, it is necessary for me to obtain a copy of the entire trial court file, in *State v. Billy Lee Oatney, Jr.*, Washington County Circuit Court Case No. C973456CR. More specifically, I would like a copy of every single piece of paper in the file, including clerk notes and any non-docketed pages that may be located on the left-hand side of the file.

Consistent with my assistant's communications with Helen in the criminal file room, it is my understanding that the file herein contains 207 pages and will cost \$56.50. It is my further understanding that an acceptable way of obtaining and paying for these copies is through this fax request and then having the file copied and mailed to my office along with the bill for the total owed. This is the method I would like to use in this matter. If this is not consistent with your understanding of this matter, please let me know.

If you have any questions or if anything further is required of me at this time, please feel free to contact me at my office anytime. Thank you in advance for your assistance in this matter.

Sincerely,

15/ 
John E. Storkel
